## STATEMENT

### STORYTELLERS

My thought is that we all have stories to tell... the stone, a tree, the child... even the fallen leaf.

### PATH FINDERS

My concerns here lie in the pathways and the journeys that every living being takes. My fascination lies in the wishful seeing through the eyes of an elk, a bear, one small butterfly. Vistas unseen by human experience.

### LOVE LETTERS

These small paintings are simply gifts of gratitude for fleeting moments and small treasures that I hold dear.

### THE JUBILEE SERIES

Webster's Dictionary defines "jubilee" as a time of rejoicing and celebration. A time to sparkle. In working with an abstract concept, these small paper pouches were created to 'contain' life's greatest moments and wonders... Weddings, Births, Triumphs and Successful Journeys.
